*Dear Diana,*

*We simply cannot thank you enough for making our wedding ceremony so amazing. It was more than we ever could have hoped for—it was just perfect...personal, earnest and true to who we are and what we have together. Thank you so much.*

*Dear Diana,*

*We just want to thank you so much for the beautiful ceremony! It was truly everything that we had hoped it would be and more and the way that you included our words about one another with the rest of the ceremony was absolutely perfect. Thank you for being such a calm influence, both at the wedding itself, and during the months before. You listened so carefully to all of our requests and blended them seamlessly into the ceremony. We had several people tell us afterwards that it was one of the best ceremonies that they had ever seen and we have you to thank for that. Thank you so much.*

*Dear Diana,*

*Thank you so much for such a wonderful wedding ceremony. We are so happy with the way things turned out. It was nice to be able to read through all of the vows, poems and readings that you offered and to customize the ceremony to our liking. It made the ceremony extra special. Not only do we appreciate the great job you did with the ceremony but also your help with organizing the order and timing of the wedding party at the rehearsal. And having you around the hour before the ceremony really helped to calm us both while we waited for our special day. Thank you for your organization and true professionalism.*
