History

Santa Rosa Golf & Country Club was founded in 1916. It was first located on the east side of Santa Rosa on a site affectionately known as "Cardiac Hill." The Club built a new course & clubhouse in 1958 at its current location. The course was updated in 1980 by Robert Trent Jones. In 1999 a major upgrade project was started including remodeling all the greens and building a completely new clubhouse. The move-in was November 2002, followed by a highly successful opening of the world class restaurant, banquet rooms, golf shop & fitness facilities.

Golf

Our par 72 course will challenge various levels of golfing skills. The course has tree-lined fairways and completely renovated greens. The Golf Shop offers a professional teaching staff and a full line of merchandise. Our golf tournament programs and activities are designed to appeal to men, women and children, family members as well as business colleagues. The private course offers easy access, and a beautiful "classic style" course that begs to be walked. The typical round is under four hours.

The Clubhouse

The Clubhouse is the heart of the community. On the ground floor, it houses the golf shop, fitness center, locker rooms, card rooms, and the now famous coffee nook.

On the second floor, enjoy breathtaking views of the course from the terrace, 19th Hole, Vines Restaurant and the Oak Meadow rooms. Throughout you will enjoy our growing Sonoma County art collection, member bulletin boards, club memorabilia and special places to spend time with friends, read & enjoy the warm and friendly ambience.

Events and Special Occasions

Our wonderful wine country cuisine from Vines can be enjoyed in our incredible banquet facilities. We specialize in private parties from 10 to 200. Whether you need a business meeting or an elegant wedding, our events coordinator can help you create a "one of a kind" occasion.

The Staff

The staff at the Santa Rosa Golf & Country Club is its richest asset. They are committed to giving highly personal and efficient service. Service in a private club is defined differently by every member, and our staff is trained to adjust their approach to the individual. Our service focus is to know what you want before you need it. Our job is to take care of you.
