I have to say that I had the most perfect wedding possible. Megan, I knew I could count on you and I appreciate all the contact before the wedding. Our guests were so impressed with the clubhouse, the food and the friendly service. You made my wedding day everything I hoped it would be. (Bride)

We thought that you and your staff did an excellent job at our wedding. Everything was just perfect! Thank you so much for an awesome event. We received countless compliments about the site, the food, and not just a few people said that it was "the best wedding ever"! Thank you also for organizing the great weather!! (Groom)

My son's wedding was held at the Club yesterday. Everything was handled in a manner that exceeded our expectations. Megan took over the responsibility for the event in midstream and did a superb job. I also have to add that almost everyone with whom I spoke remarked about the beauty of the facility and the room. We could not be more pleased. Please convey my thanks and congratulations to the entire staff. (Groom's Father)

It was absolutely, positively the best day of our lives. I will never be able to thank you enough or compliment you enough for making our event so magical. (Bride)

The wedding service at your site was divine. I do not think anyone left without saying how beautiful everything was including food and service and setting. (Bride's Mother)

How do we start thanking you for making our wedding day the best day of our lives? Megan, you exuded warmth and confidence in your ability to meet our expectations and we were so impressed with the time you took to help in decisions about food, table settings, linens etc. You were very patient and had great suggestions. Our guests were delighted and everything ran smoothly. So our honeymoon is over, my dress cleaned and packed away, but the memories of our special day will last a lifetime. (Bride)
