CLIENT COMMENTS

Dear Terry:

Thank you so much for coordinating such perfect music for our wedding! The String Quartet was so wonderful, and the music so beautiful and elegant. It truly was the perfect touch to an already wonderful day.

All your efforts were so much appreciated. Thank you!

C.C. & David, Oakland

Dear Terry:

Your beautiful music was the perfect compliment to our daughter's wedding. Thank you so much for sharing your gift of talent with us.

Maria said that as soon as the wedding was over, she was going to go back in so she could meet you – but then the photographer whisked her around to the courtyard for photos and the moment was lost. So please know how much she appreciated your help over the phone in choosing her music – you made a job she'd dreaded because of a lack of knowledge of music into an enjoyable one.

Dear Teresa & The Nob Hill Trio:

Thank you so much for your splendid music at our wedding at the Legion of Honor. We thought you did a great job and were impressed by your professionalism.

Everybody enjoyed your playing greatly. Thanks again!

Dear Terry:

I am always excited to refer the Nob Hill String Quartet. You and your troupe are top notch professionals. Your look is classic and your music like a dream to every wedding you play. But the best reason I like working with you is: I can rest assured, knowing your groups will always be on time—and never out of tune!

Dear Teresa:

I just wanted to thank the Nob Hill musicians again for filling our wedding with such elegantly classical music. Many of the guests commented on how much they enjoyed the Trio and Salon Orchestra, really complimenting the atmosphere of the Kohl Mansion.

Dear Nob Hill String Quartet:

We wanted you to know how much we enjoyed your music at our daughter's wedding this past Sunday. The melodious sounds filled the air and brought joy to all of our guests. Many of our friends and family commented on the beautiful music and arrangements.

Thanks for contributing such an important part to the celebration. We hope to call upon you again in the future. Also, please feel free to use our name as references.

Dear Terry:

A quick note to thank you for playing at our wedding -- everyone really enjoyed it.

I appreciated your grace & good humor to work with us and our last minute requests. The "Star Wars" recessional pretty much made Doug's day. Sorry that I never got a chance to meet you in person. Maybe one day.

Anyway, thanks again -- we'll recommend you to anyone who asks.

Sara & Doug, Palo Alto

Dear Terry and All,

Your music for our wedding really set the mood for our entire ceremony. We received comments from so many of our family and friends who felt similarly impressed. We're so glad we went with the "Paragon Rag" for our recessional. It really made for a great transition between the ceremony and our reception.

I have given your name to a few friends also looking for beautiful and gracious music for their weddings. Your the best!
