## **What We Do**

At Madaline Duran Music we are dedicated to providing you with the highest quality ensembles for your special event. Our groups range from small instrumental combos to full dance bands with male and/or female vocals. We offer a wide range of music, from ballads and jazz standards to Latin/Brazilian jazz to bebop and more contemporary jazz styles.

The groups at MDM are accustomed to performing in a wide range of settings. If you are looking for beautiful, yet unobtrusive background music, Madaline has just the right duos and trios to fit the bill. On the flip side, if you are looking for a showcase group for your corporate event, Madaline can put together a dynamic show for your theme party or annual holiday bash. Madaline also has great groups for weddings... a romantic flute/guitar duo that offers light, jazzy versions of many wedding ceremony standards, as well as acoustic instrumental combos with Latin percussion which are perfect for your cocktail hour and dinner reception. Madaline can also provide you with a knockout band for your dance reception.

Madaline Duran Music offers the following combos:

**Jonathan Alford, solo piano** (acoustic or keyboard)

**Eddie Duran, solo guitar** (acoustic or electric)

**Mad and Eddie Duran Duo** (flutes/saxes & guitar)

**Three to Tango** (flutes/saxes, guitar and Latin percussion)

**Paradise Trio** (flutes/saxes, guitar, upright bass)

**Paradise Band** (flutes/saxes, guitar, upright bass, vocals/piano, drums, Latin percussion and more)

**That Cal Thing** (vibraphone, flutes/saxes, guitar, upright bass, percussion)

Whatever your needs, Madaline will be able to meet them. Let her put together fabulous music for your next special event!

*“Mad Duran provides puts her heart into her work, providing inspiring music for every event. A favorite celebrity client of ours called on her way to her honeymoon, choked with emotion. She told us that Mad and Eddie Duran “made” their entire event. The couple loved the music so much that they had their combo moved right next to the head table and danced to nearly every tune. Madaline always provides our clients with beautiful, artistically performed music as well as kind, attentive service.”*
